To children everywhere
who help us remember our **humanity**.

Every human deserves the right
to clean, fresh Air.

Every human deserves the right to Believe, or not to care.

Every human deserves the right to
Choose, Change
or Challenge an idea.

Every human deserves the right
to Dance and Dream
without fear.

Every human deserves the right to Education, Equality and
to Express who they are inside.

Every human deserves the right to Food, Freedom and Friendship, no matter where they may reside.

Every human deserves the right to strive for and reach a Goal.

Every human deserves the right to a Home,
Healthcare and a gentle Hand to Hold.

Every human deserves the right to Image, to Inquire, and to share what they learn and know .

Every human deserves the right to Justice; Just remember you reap what you sow.

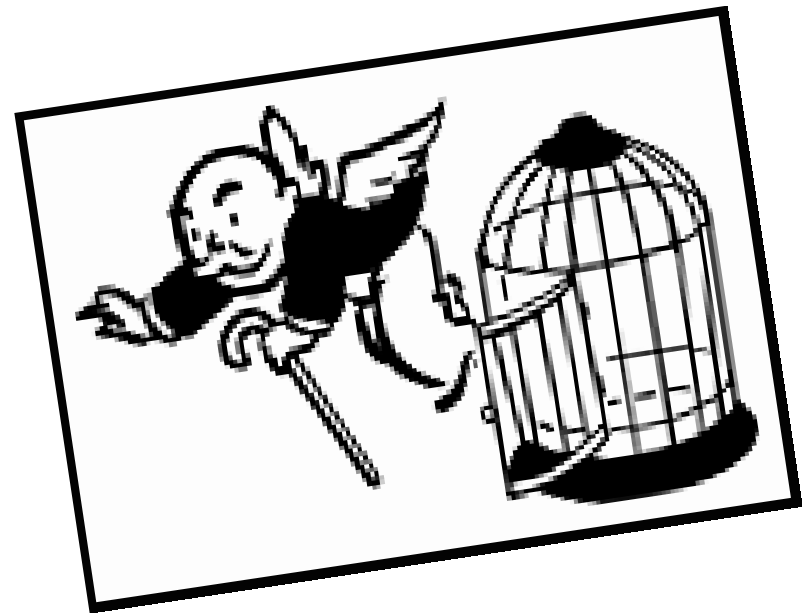

Every human deserves the right to Kindness,
Kindled deep within.

Every human deserves the right
to Love *and be* Loved
by a very special friend.

Every human deserves the right
to Make Mistakes
and start anew.

Every human deserves the right
to Nature -
a resource for ALL, not just a few.

Every human deserves the right
to an Opinion all their Own.

Every human deserves the right to
to Patience, and Peace, and a Passion
they can hone.

Every human deserves the right to Quarrel and Question,
or choose to be Quiet and still.

Every human deserves the right to Reflect
and Reconsider, to Renounce, or to Reveal.

Every human deserves the right
to be Safe, Speak freely
and find Shelter from the Storm.

Every human deserves the right to **I**olerance
when they shift outside the “norm”.

Every human deserves the right
to Understand and to be Understood.

Every human deserves the right
to be Valued and Validated,
for we are all inherently good.

Every human deserves the right
to feel Welcomed in the World.

Every human deserves the right
to eXplore potential as it unfurls.

Every human deserves the right to release a sacred Yes! To make decisions for themselves, and to do their very best.

Every human deserves the right
to live with a Zest for all they pursue.

And because you are a human being,
"every human" includes YOU!
