Grade 2

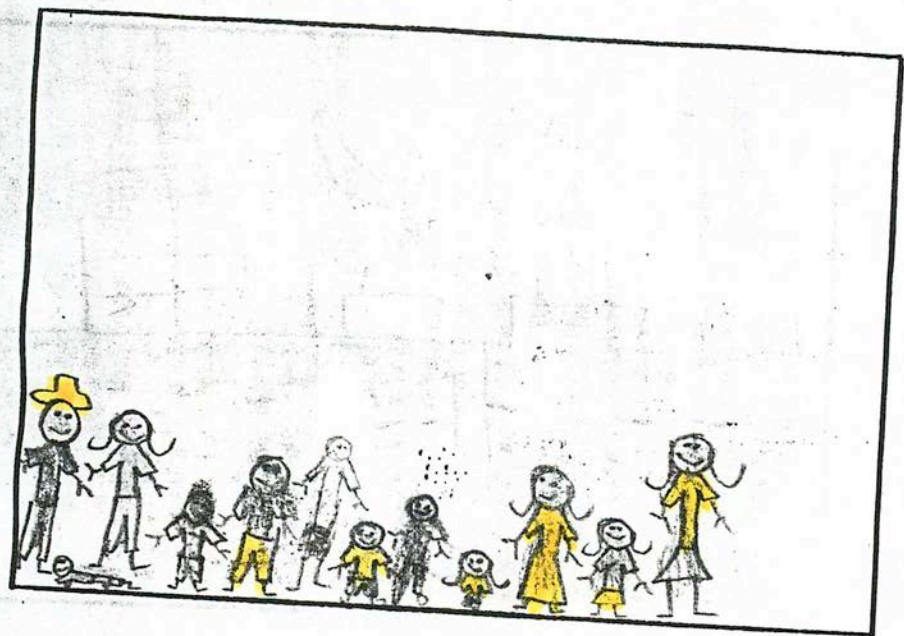

TO MY DAD
BECAUSE I LOVE HIM
VERY MUCH

This book is about my
dad

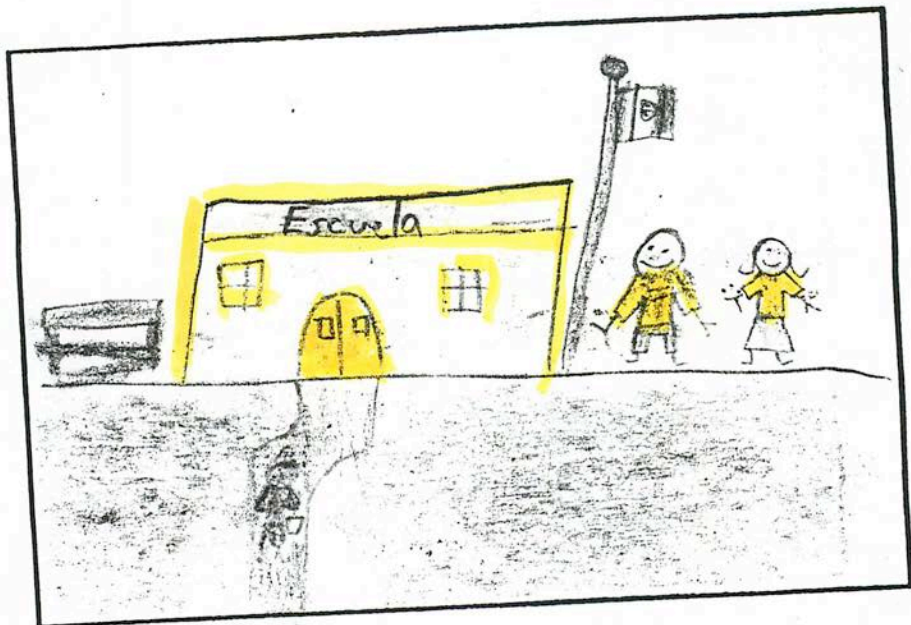

Mexico City

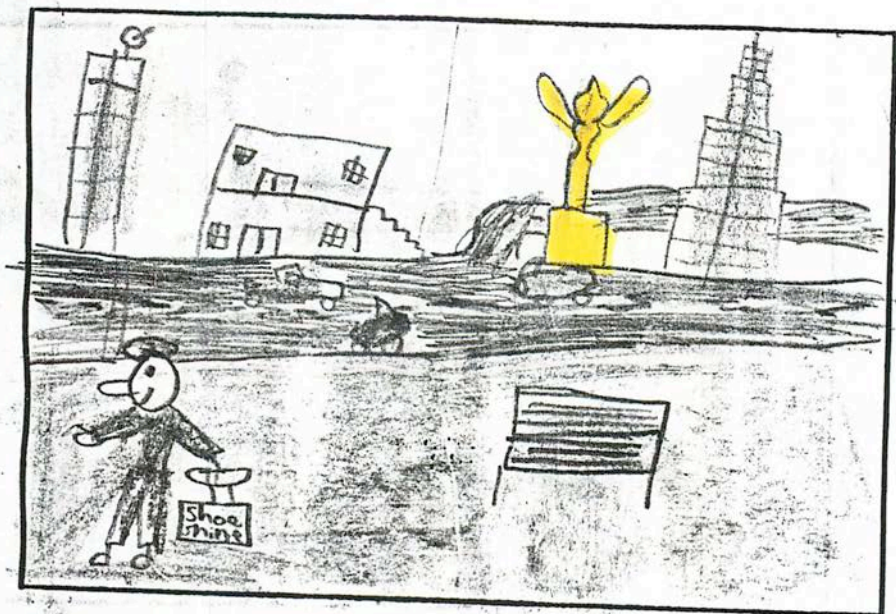

My dad was born in
one of the biggest
cities of the world. There
are 20 million people living there
actually.

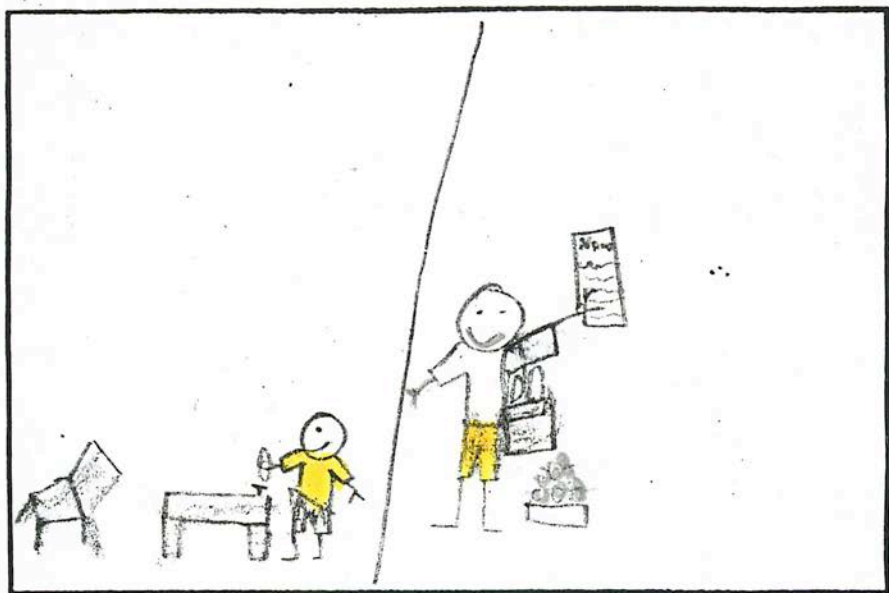

My dad also came from
a big family. He he had,
4 sisters and 5 brothers and
a mom and dad.

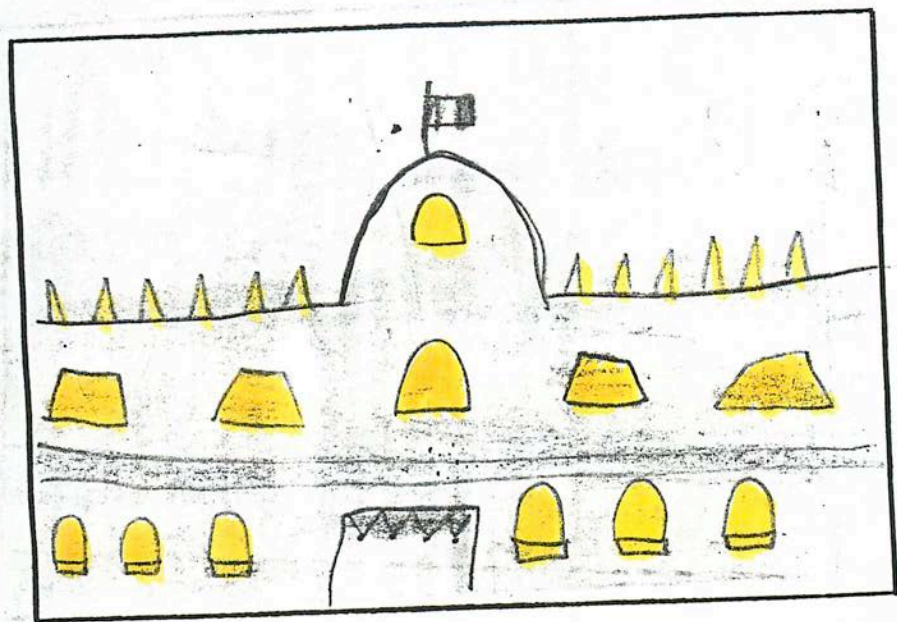

He went to school with his
brothers but only till
eighth grade....

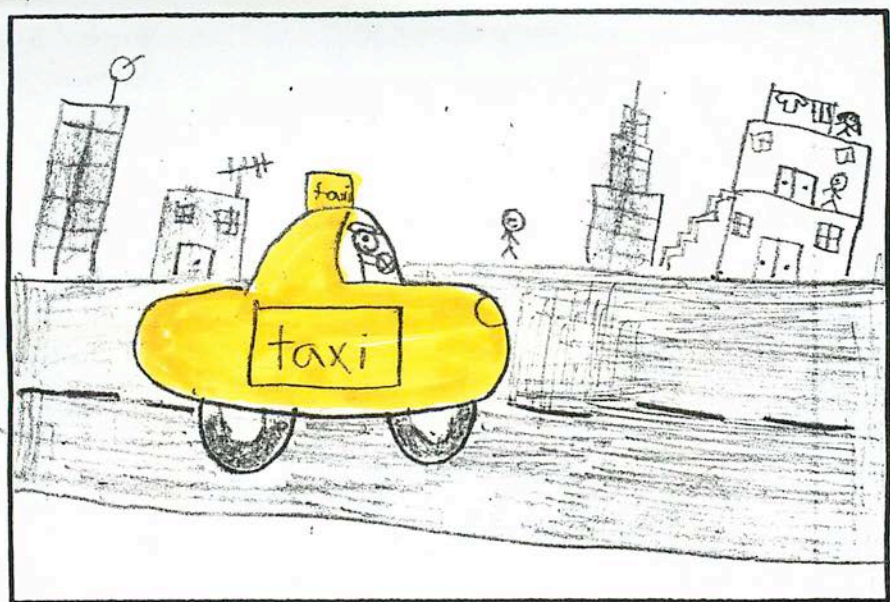

... because he had to
work at early age to
survive the big city.

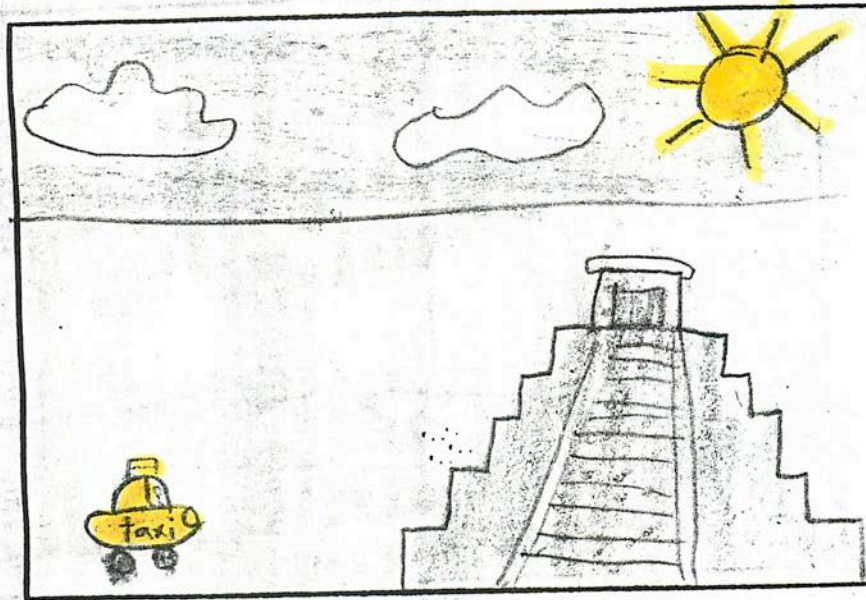

He worked as a carpenter
and selling candies and
news papers.

He also worked as a
waiter in a restaurant with
a beautiful view of the
National Palace of Mexico City.

The work he liked Best was
being a taxi driver, because
he met new people every
day.

He took tourists to Aztec
pyramid for example. And he
was happy.

The End
